

Daring.™

Your new favorite
PLANT BASED CHICKEN.

Crafted from a short list of simple ingredients.

Daring Will Help Drive Incremental Sales at Your Restaurants.

Flexitarians, Vegetarian, and Vegans dine out more frequently than their meat eater counterparts, with **25% of these households dining out 4 or more times a week.** (Source: Numerator). Having vegan options on menu will result in increased sales.

Why Offer A Plant-Based Meat Alternative on Menu?

Avoid the «vegan veto» vote, attracting families and groups of people who are going elsewhere.

59%

of plant-based eaters noted whether a restaurant carries meatless alternatives impacts where they choose to eat.

+13%

US restaurants that have added vegan options to their menu reported a +13% increase in diner traffic, despite overall restaurant traffic being down. (Source: Foodable Labs)

Why Plant Chicken?

Plant-based Chicken is the right plant-based meat for restaurants considering adding vegan options to menu.

87%

of plant-based consumers are interested in purchasing plant-based chicken items at a restaurant (Source: Kerry Proprietary Insights).

Why our plant-based chicken stands out:

Exceptional Taste & Texture

Our team of food scientists and culinary experts have worked tirelessly to replicate the taste and texture of traditional animal chicken. Daring stands out because it **replicates the taste and whole muscle texture of animal chicken** – that perfect layered shred that distinguishes animal chicken from the plant-based nuggets in the market.

Endless Versatility

Our product is as versatile as traditional chicken, making it a simple swap for any dish on your menu. From salads to wraps and tacos to pizza, our plant-based chicken can be used in any recipe. Our products can be purchased as **wings** or **tenders**, uniformed ½ inch **diced** pieces, or unbreaded and breaded **patties**, making Daring a one stop shop for all your plant-based chicken needs.

Competitive Pricing

Despite its superior quality, our plant-based chicken is priced competitively. We are committed to making plant-based options **accessible to all** because we know that once your customers try our product, it won't just be vegans but flexitarians and omnivores clamoring for more.

Better Ingredients & Superior Nutrition:

Our plant-based chicken is not only delicious but also nutritious. Daring is made with a short list of simple ingredients, and it's packed with **high-quality plant protein – 18g per 3 oz serving. It's cholesterol-free, non-GMO, and gluten-free**, offering customers a health-conscious option that doesn't compromise on taste. Daring is also certified kosher and halal.

Gluten Free claim applies to all SKUs except Breaded Patties

A **SHORT** list of **SIMPLE** ingredients.

All easily pronounced. No googling required.

63% of plant-based consumers started eating plant-based products because they are **CONSIDERED HEALTHIER.**

(Source: Kerry Proprietary Research Stepping Up Taste in Plant-Based 2022)

Cooking & Storing Instructions

COOKING DARING

- Daring is fully cooked when it reaches an internal temperature of 165°F.
- Treat Daring as you would the animal protein and follow all good food safety guidelines and practices.

STORING DARING

- Always keep Daring frozen. Daring is IQF and can be cooked from Frozen.
- Daring has a shelf life of 12 months from the date of its production. Once it's thawed, use Daring within 14 days.
- Hot Holding - Time & Temperature: For non-continuous temperature and time monitoring a minimum hot holding temperature of 130°F for a maximum time of 4 hours would be adequate to ensure food safety. This is based on information provided by FDA.
